

# Rural Health Connect Client Info

Speak to a psychologist over video or phone call.

[ruralhealthconnect.com.au](https://ruralhealthconnect.com.au)

---

- More than 80 psychologists registered, including child, adolescent and adult; with a wide range of interest areas
- Bulk billing available
- Easy technology, just click on a link on your phone or computer to start the call

**To do these sessions under Medicare you first need to see your GP, and ask for:**

- A referral to Rural Health Connect (does not need to be to a specific psychologist), including how many sessions the referral is for
- A mental health care plan

**Please ask your GP to fax these documents to us on Fax: 07 4573 1100 or email [referrals@ruralhealthconnect.com.au](mailto:referrals@ruralhealthconnect.com.au)**

We are here to help. Please contact us on 0427 692 377 or [info@ruralhealthconnect.com.au](mailto:info@ruralhealthconnect.com.au) for assistance.

*Rural Health Connect is a social enterprise committed to improving access to psychologists*
